

The Intelligencer.

FRIDAY MORNING, JAN. 5.

Skating on the Park.

LOOK OUT FOR THE RED FLAG. BRASS BAND IN ATTENDANCE ON THE WARD. The skating on the park yesterday was very successful. A large and comfortable skating rink was opened on the park, and a large and comfortable skating rink was opened on the park.

DEPUTY SHERIFF JONES left the city yesterday on a search for the prisoners who recently escaped from our jail.

MR. WHITNEY, formerly of the Moore, but now of the Parkersburg Swann House, is in the city-looking well.

IN THE LOCK-UP. Two men, named respectively Riddle and Miller, are in the lock-up awaiting trial this morning for disorderly conduct.

THE WEATHER. Yesterday was blowy and snow-cold, chilly and disagreeable. Just enough snow fell to damage the skating and no make good sleighing.

MUSTERED OUT. Among the paymasters mustered out by a recent order of the War Department is Major Safford, who was for a long time on duty at this post.

ENCOURAGING. A clerk in a mercantile establishment writes to a friend at home: "I have a nice time of it now—days—very hard work to do—our firm don't advertise."

MIRTING OF GRAND LODGE. The Grand Lodge of Masons of West Virginia will meet in the city on the 17th inst. and the third Wednesday in the month, and the day following the opening of the Legislature. Delegates are expected from the several Lodges in the State, and a fine meeting is anticipated.

ORDERED AWAY. It will be seen by our telegrams that the detachment of the 4th United States Cavalry, under command of Captain Walker, now on duty at Cumberland, Md., has been ordered to North Carolina. The detachment, which has been at its present post nearly a year, now consists of five companies.

THOSE COUNTERFEIT NOTES. We were in error yesterday morning in stating that one of those counterfeit \$50 legal tender notes had been taken in at the National Savings Bank. The note was, however, taken in at the banks, in most of them were speedily returned to the original holders.

THE LECTURE LAST EVENING. The lecture last evening at Washington Hall, by the Rev. Walseley, on "Jerusalem and the Jews," was most interesting and instructive. We are sorry that the attendance was not more numerous, but we were, however, taken in at the lecture, and we wish, both for the lecturer and speaker's sake, that the audience had been larger.

SKATING ON THE PARK. We are pleased to be able to announce that there will be skating on the Park to-day and to-night.

THE EVENING IS DESIGNED to be an especially pleasant one. A band of music will be in attendance, and every arrangement for an elegant time will be made.

ARRIVAL OF PRISONERS. Mr. Henry Dils, Sheriff, and Col. G. W. Taggart, Deputy Sheriff, of Wood county, arrived in the city yesterday, and turned over to Jailer Jones, keeper of the penitentiary, two prisoners, convicted at the late session of the Wood County Court to an imprisonment of one year each.

THE LATEST INVENTION. Mr. Conrad Long, of Martin's Ferry, on the other side, announces in our advertising columns the nearest and most desirable article of comfort we have seen since the invention of the steam locomotive.

CHURCH IN BELMONT, OHIO. The Belmont Chronicle gives statistics, costs, &c., for the church in that county, for the year ending Nov. 1, 1864. We note that there were 36 indictments and 25 convictions; 6 sent to the penitentiary, and 5 to jail. The costs of prosecutions were \$1,411.75. The church collected \$318.30 paid by the State, and \$1,032.00 by the County. The fines assessed amounted to \$330.00. Out of the 36 indictments found, 32 resulted directly from intoxicating liquors.

FOURTH WARD MEETING. The Union men of the Fourth Ward held a meeting last evening at the "Rough and Ready Home." Harvey Hall, Esq., presided, and Messrs. J. H. Hayburn, Esq., acted as Secretary.

THE FOLLOWING NOMINATIONS of candidates for the City Council were made: 1st Branch—Mr. Jas. Landrum, 2d Branch—Messrs. J. H. Brodie, Thos. M. Neely, John Clayton, John Craig, Wm. K. J. Elnick.

GOVERNMENT SALE OF HORSES. Yesterday, in pursuance of orders from the Quartermaster General, Major Gardner, the A. Q. M. at this post, had a Government sale of horses. The number of horses sold was thirty-eight, of which were captured from the rebels, and were brought in by Major Gardner on his reports by the order of the War Department. The twelve horses brought in by Major Gardner were sold for \$750.00.

GOVERNMENT SALE OF HORSES. This sale closes out the Government live stock at this post. A little stock of any character yet remains, and will be sold out on the 10th inst. Major Gardner has received as yet no orders to complete closing out the stock of his office, but expects them before long.

IN TOWN. Sylvanus W. Hall, Esq., Clerk of the Supreme Court of Appeals, is in the city, and will be engaged until the session of the court begins in endeavoring to assist and arrange the papers of the Virginia Court of Appeals, recently obtained from Lewisburg in a very successful condition, as well as in the preparation of the business for the action of the court.

WE note also the presence of Mr. James W. Jones, one of the old and substantial citizens of Harrison county, who visited the city in business connection with the timber interests of his section. He is at present engaged in a large lumber contract on the river, and is preparing to ship to the Cincinnati market. Mr. J. represents the people of Harrison as driving a very different sort of things from what has been the case for the past year or two.

THE WARD UNION MEETING. A meeting of the Union men of the Third Ward was held last evening at the Court House, to put in nomination candidates for the City Council, and for the transaction of other business. Dr. A. S. Todd was Chairman, and Samuel Langhain, Secretary. The following named gentlemen were nominated for the City Council: 1st Branch—Robt. Morrison, Esq., 2d Branch—Messrs. H. W. Jones, J. H. Brodie, Wm. K. J. Elnick, James Brodie, Wm. K. J. Elnick.

The following named gentlemen were appointed as Delegates to the City Convention, which meets at the Court House at 7 o'clock to-morrow evening: Messrs. Henry Crangle, A. R. Caldwell, J. A. Metcalf, John Trimble, Isaiah Warren.

"HOME AGAIN." The many friends of our highly esteemed citizen, Col. W. W. Bessell, will be pleased to learn that he has again returned to our place and intends to reside here. He resigned his position as Paymaster, U. S. A., in order to devote his entire time and energy to his civil interests in Pennsylvania and West Virginia. His great success in this business has induced a number of his friends to follow him, and he is again to try his fortune in oil, this time with the Colonel. The territory he is interested in is represented by the regularly elected agent, Col. Wm. Jones (Pa.) Gen. of Liberty.

Quite a number of the citizens of Wheeling have also invested in Colonel Bessell's oil territory, and they will doubtless be well pleased to hear of the good prospect of the success of their investment.

POLICE COURT. In the Police Court yesterday, two cases were disposed of, as follows: Wm. Jones and Wm. Hires, for disorderly conduct, were fined \$10 and costs each.

RIVER NEWS. The river was falling yesterday, with eight feet and five inches in the channel.

The Express left for Parkersburg. The tow-boat Sam Roberts passed down with a load of coal boats.

The regular packets made their usual trips. The Eagle is the Parkersburg packet for to-day, and the Edinburg the Cincinnati packet for to-morrow.

The landing yesterday, in spite of the cold weather, was tolerably lively.

NOTHING EQUAL TO IT SOLD. Such is the testimony which we receive from hundreds who are using the "Excelsior Baking Powder." For biscuits, cakes, and other griddle cakes it is especially adapted, making them light and crisp and wholesome. Beware of cheap imitations. The only reliable is "Excelsior Baking Powder," List & Co.'s "Excelsior Baking Powder," Sold by dealers everywhere.
